Dear Neighbour

RE: REDFERN STATION – DISABLED ACCESS & SHARED ZONE WORKS

As part of the upgrade to the disabled access path from Redfern Station concourse to the Australian Technology Park – South Eveleigh site, and also the upgrade to the Shared Zone area, we are required to perform work which will affect access to Marian Street and also parts of Cornwallis Street.

We are creating a new DDA compliant pathway to replace the existing path, which will enable wheelchairs and prams to safely reach the station. We are also upgrading the shared zone area from Rosehill Street, over Marian Street and through to Cornwallis Street, as per consultation with RMS.

What to expect:

Please refer to below map for traffic flow. Traffic diversions will be in place during the work period. Please use caution and follow directions from traffic controllers, who will be in place 24 hours a day / 7 day a week. Street parking will be limited during these works. There will be both day and night works involved.

Access will be maintained at all times to The Watertower car parks, under traffic control.

Work duration:

This work is scheduled to continue into early March. Work hours are Monday to Saturday, 7:30am to 5:30pm (some stages, night work will be required). We may be required to work on Sunday.

If you have any questions or concerns, or if you require more information, please contact south.eveleigh@mirvac.com or call **1800 870 549**.

Kind regards, Kim
