

CONSTRUCTION UPDATE – 3 JULY 2019

We are removing the fourth and final tower crane from the development on Lot 12 (Building 2) at South Eveleigh. The works will involve the setting up of a mobile crane on Central Avenue. (see below map).

What to expect:

The components for the crane will be delivered on trucks that will enter the precinct via Garden Street and out Davy Road.

There will be exclusion zones and traffic changes in place on Central Avenue during lifting operations. Public pedestrian access will be maintained on Central Ave and access to existing carparks and loading docks will also be maintained.

Work duration:

The works are scheduled to be completed over Saturday 6th and Sunday 7th July, however progress could potentially be delayed due to unforeseen circumstances such as inclement weather.
