

CONSTRUCTION UPDATE – 19 JUNE 2019

We are commencing the installation of the Tree House which will be our second public artwork on our site. This will be located on the Southern end of the Eveleigh Green.

What to expect:

Please see attached temporary fencing to be erected for the build. Fence Stage 1 will be up for the duration of the build. Fence stage 2 will be up to allow equipment to be lifted in and out of the construction zone. This will be for approx. 1 week only. During loading the pathway between the 2 fence zones will be temporarily closed. We will also need to place truck mats across the oval for a short period of time during deliveries so we avoid damage to the oval. Traffic Management will be in place during these times.

Work duration:

The works are scheduled to commence on Monday 24th June and continue for 6-8 weeks, pending weather conditions.
