

**Construction Update – 11<sup>th</sup> October 2017**

We wanted to notify that today we are conducting a trial fire evacuation of Building 1. You will notice the entire site clearing to the evacuation point on the oval. This is just an exercise and there is no cause for alarm.

If you have any questions or concerns, or if you require more information, please contact me at [atp.communications@mirvac.com](mailto:atp.communications@mirvac.com) or call 1800 870 549.
