

Construction Update – 7th August 2017

This week we will be digging a trench across Davy Road to run conduit for Telstra services to our B1 building site. This work will commence Wednesday 9th August, through to Friday 11th August.

At no stage will the road be closed off to vehicles or pedestrians. Traffic control will be in place at all times and traffic flow will be maintained.

If you have any questions or concerns, or if you require more information, please contact me at atp.communications@mirvac.com or call 1800 870 549.

Kind regards, Kim
