

Construction Update – 19th October 2017

We would like to notify you of upcoming demolition works required for Building 3. These works involve the removal of an existing brickwork wall adjacent to the Eastern footpath on Davy Road.

To facilitate these works it will be necessary to temporarily close the Eastern footpath on Davy Road. To minimise disruption to pedestrians we have scheduled these works outside of normal business hours. Demolition of the brickwork wall and closure of the Eastern footpath on Davy Road will therefore be undertaken on Saturday 21st of October between the hours of 7.30am and 3.30pm.

We apologise for any disruption caused during these works. If you have any questions or if you require more information, please contact atp.communicationsf@mirvac.com or call **1800 870 549**.

Kind regards, Kim
